

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Wednesday 3<sup>rd</sup> March 2021

### CORE LEARNING TASK FOR ENGLISH

Yesterday you wrote an amazing description of Neverland. We were amazed by your fabulous adjectives and how much you challenged yourselves.

Today we are going to continue writing the story of Perer Pan focusing on the middle of the story.

What happens in the middle of the story? Have a think then tell your grown up what you remember. Remember to re-cap your actions and use your story map to help you.

Watch the video on our class page and then write the middle of your story remembering capital letters at the start of sentences and for names as well as full stops and those exciting adjectives!

We look forward to seeing your work on Seesaw.

### CORE LEARNING TASK FOR MATHEMATICS

Today we are continuing with our subtraction. Yesterday you were fantastic at using jottings to help out take away a two digit number from another 2 digit number. Today we are going to continue.

Watch the video again for some top tips to help you use the jottings correctly. Remember you only need to draw one set of jottings ( the biggest number ) and then you take away from this number.

Please complete the calculations assigned to you on seesaw using jottings. We look forward to seeing your work later on.

### KEY VOCABULARY

**Maths** – subtract, take away, minus, difference, jottings

**English** – hope, like, live, wipe, smile, hike, poke, give, take, love

**Challenge** - When we add -ing to present tense verbs that end in 'e' such as 'joke' we have to remove the 'e' before adding -ing so it becomes 'joking.'  
Have a go at converting the verbs above!

### WIDER CURRICULUM TASK

Today in our PSHE work today we are continuing with our road safety theme. Can you spot the dangers on the assigned worksheet. Once you have spotted them answer the questions all about crossing the road.

Can you find the missing safety message below?
