

SHERWOOD PRIMARY SCHOOL

EYFS NEWSLETTER

Week ending: 6th October, 2023

PEOPLE WHO HELP US

This week we have continued to explore our 'people who help us' theme. We began the week by learning about doctors, nurses, paramedics and pharmacists. This inspired a lot of imaginative play in our hospital role play activity! We learned some new vocabulary through the week.

We then moved on to learn about the police. We learnt about all the different things that the police do to help keep us safe.

At the end of the week, we have learned about the fire service and role played working in a fire station.

In RE, we learned how Christians celebrate Harvest Time at this time of year. They say thank you for the food we eat. We collaged food and enjoyed a walk in the school grounds to look at nature that Christians believe God created. Thank you for your kind harvest donations today.

HOMEWORK

Post a picture or photo on Seesaw of your family pet. We will discuss it during the week in class. If you have no pet, please draw a picture of a pet you'd like to have, or a photo of one.

Phonics homework is on **Seesaw** for your child. Look out for your fun activity!

If you go on a walk, please collect conkers, acorns or autumnal objects ready for our Autumn topic after half-term. Thank you.

REMINDERS

'Show and Tell' begins next week. The theme for show and tell changes every week and the list for Autumn Term can be found on the **Foundation class page**. Please post a **photo or video** on Seesaw relevant to the theme for the week.

We are postponing the Sherwood Book Drop in EYFS until next Friday as we have had a significant number of absences this week.

KEY WORKER NEWS CHARACTERS!

Today we have started to send home our Key Worker characters – Mickey, Benjamin, Tony, Ronnie, Charlie and Dizzy. Each week, one child from the Key Worker group will have the opportunity to spend time at home and out and about with their character. Take photos to share on Seesaw and develop speaking and listening skills with your child.

NEXT WEEK

Next week we continue our learning about vets and pets. We look forward to using our role play vets area and small world activities.
