

## THE GREAT PET SALE

This week, we have continued to learn about pets around the story, 'The Great Pet Sale.' The children learned lots of new vocabulary, including about coins and handling money. They have enjoyed role playing in Sherwood Pet Shop with a till and coins up to the value of ten pence.

We welcomed a wonderful visit from Wilson the black labrador on Wednesday. The children asked questions and learned about how to take care of a dog, including diet, exercise and grooming. Wilson enjoyed being stroked and gently brushed by the children.

We have two new fish who have joined Pumpkin and Pebbles in the fish tank. The children chose their names – Bubbles and Biscuit! The class enjoy observing them and talking about how they move and their appearance.
