

## ABRACADABRA!

The children have really enjoyed this week's magical theme around the books on 'Meg and Mog,' with a story about space and a castle. The children learned many new words and re-enacted the main events.

Forest School this week, we used fine motor skills to shape a clay face on the trees. We used sticks, berries and leaves to create the facial features.

On Friday, we had a Magic Day, where all the class dressed up as magical characters. They looked fantastic! They used their wands to cast spells to play a missing object game, danced to magical music, played Meg and Mog lotto, made stick puppets and finally, they decorated witches' hats with icing for a sweet treat.

The magician came to do a special show in the afternoon. The children laughed at his 'smelly socks' and took part in magical tricks. They met Bob the rabbit. What a fantastic day to finish our topic.

## HOMEWORK

Please complete phonics homework on Seesaw.

Please help your child to invent their own spell. Draw a large cauldron shape on paper. Draw colourful spell ingredients inside the cauldron, such as a frog, beetle, worm, spider, etc. Can they write the initial letter or write the number of spiders?

## REMINDERS

### Book bags

Please kindly empty your child's book bag daily. The children are taking out their reading book and diary every morning. It is much easier if there are no letters or pictures still left in bags. Thank you.

### Newsletters

Please ensure that you keep up to date with reading the school newsletter each week and this class newsletter. Both are published on the website and have lots of useful dates and events for your child. There are also lots of photos on the school website under 'Gallery.'

## NEXT WEEK

We will begin our new topic on Light and Dark. We will be reading the story, 'Star in the Jar,' which is about a lost star. Linked with this, we will be investigating silhouettes and shadows with torches. We are also focusing on letter formation and rhyming. Singing nursery rhymes at home is very valuable in supporting this.

## STARS OF THE WEEK

Amelia McGuigan Clara Williams

Zariyaan Rehman Ajala Gupta

Well done!
