CORE TASK 2- Maths

This week we have been learning how to solve missing number addition problems.

Please watch the modelled video to look at a few of the methods we have learned.

Have a go at these problems in your green homework book.

$$4 + \underline{\quad} = 6$$

$$6 + \underline{\quad} = 8$$

$$\underline{\quad} + 7 = 9$$

$$9 + \underline{\quad} = 11$$

$$12 + \underline{\quad} = 15$$

$$\underline{\quad} + 9 = 13$$

$$10 + \underline{\quad} = 16$$

READING WITH YOUR CHILD

Questions to ask your children when they have finished reading their book?

Did you like this book?

Why?

What was the most exciting part of the book?

Can you find it?

What happened in the story?
