

SHERWOOD PRIMARY SCHOOL

YEAR 2 HOMEWORK

To be completed by Wednesday 20th December 2023

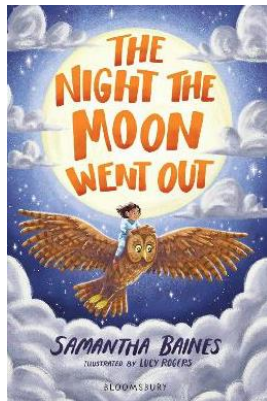

CORE TASK 1

ENGLISH

The children should now have finished ***The Night the Moon Went Out*** by **Samantha Baines**.

For homework this week, please can the children complete a review of this book. Remember to tell us a brief summary of the story, your favourite character, your favourite part of the story and a rating to show how much you enjoyed it.

Thank you for your support.

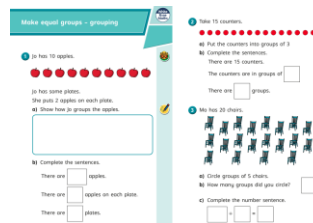

CORE TASK 2

MATHS

This week, the children have been learning about division.

For homework, please can the children complete the activity in their green homework books. This activity is about solving division questions using the grouping method.

The process involves collecting an equal amount from a group and counting how many groups can be made equally. So, all the groups need to have the same amount in. The amount in each group is the number being divided and the number of groups that can be made is the answer to the division.

KEY VOCABULARY

plural	More than one of something.
grouping	A method used to solve division questions.
calendar	A chart or series of pages showing the days, weeks, and months of a particular year.

Christmas Party Day

Year 2's Christmas Party is in the afternoon on Wednesday 20th December 2023. Children are invited to wear their party clothes on this day.

SPELLING

Please can the children practise learning the Year 1 and 2 Common Exception words. A list of these can be found [here](#). We will not be conducting a formal spelling test but it will be beneficial if your child could choose six and practise learning these. The children's practicing can be recorded in their homework books or on Seesaw.
