

YEAR 1 HOMEWORK

To be completed by 20th December 2023

CORE TASK 1- English

In English we have been learning about conjunctions.

Re-write the pairs of sentences as one clause using '**and**' as the conjunction.

Mum will bring in the cake. I will blow out the candles.

The clown will be really funny. He will make us all laugh.

I would like cheese sandwiches. My friend would like ham.

Challenge: Have a go at writing your own sentence with a conjunction.

CORE TASK 2- Maths

In Maths we have been consolidating our learning from the half term. This helps us to prepare for next term and identify areas for development.

In your maths homework book complete pages: 4, 5 and 10.

Challenge:

Have a go at playing Robot addition.
(This task does not need recording on Seesaw)

READING WITH YOUR CHILD

Smooth reading.

Please watch the **modelled video** on smooth reading and comprehension.

[Sherwood Primary School: Year 1 Modelled Videos](#)

We need to encourage the children to re-read sentences for fluency and understanding.

Weekly Phonics Overview

Children are to record their voice reading the tricky words, high frequency words and the application sentence from their phonics sessions this week.

Phase __ Week __	
Graphemes Taught: ar or	
Tricky Words: have one	Examples: ar - barn or - snoring
High Frequency Words: park car hard dark morning for	Sentence Examples: One morning the cat was snoring.

Handwriting Practise

Please write the following words using the cursive style:

went, where, were, want, their, two

Remember to use the handwriting **modelled video** if you are unsure of the formation.
