

## “Who’s that trip trapping over my bridge?”

We have had lots of fun being creative with the traditional story, ‘The Three Billy Goats Gruff’ this week. The children have been acting out the story in our outdoor classrooms, making playdough trolls, building bridges, painting pictures and much more!

Did you know that we have our very own green screen in our EYFS classroom? This week the children have been learning how it works. This week we have used it to act out scenes from our story. Have a look at some of our work on the gallery on the school website!

There are some fun versions of the traditional tales that we are reading in school available on Cbeebies iPlayer. Here is the link to the Three Billy Goats Gruff.

## STARS OF THE WEEK!

This week our Shining Stars of the Week are:

**Harry Wilkins**

**Alexander Mann**

**Rimsha Saeed**

**Abd Alrhmman Ubolibdeh**

Well done!

## HOMEWORK

This week in our maths lessons we have been working on our understanding of teens numbers (11-19).

Can you go on a number hunt around your home, out on a walk or in the shop? See how many teens numbers you can spot! You might see them on house numbers, on the back of food packets, on car registration plates, on TV etc. You could take photographs or draw pictures of what you find!

## NEXT WEEK

We are going to be continuing to look at traditional tales and our special story is going to be ‘The Gingerbread Man’. We will be putting our baking skills to the test once more and will be making our very own gingerbread men! Let’s hope that ours don’t run away from our oven when we are baking them!
