Hip hip hooray for Superworm!

What a fun week we have had reading the story, '**Superworm**' by Julia Donaldson! Through the story we explored good and bad characters, performance poetry and rhyming words.

In provision the children have been engaging in role play in Wizard Lizard's lair, acting out the story in our small world area and creating their very own superhero costumes in the creative area. We had lots of fun making superhero photographs using our green screen and the iPads!

In forest school the children enjoyed making wormeries. They filled a bottle with layers of soil and sand, placed leaves on top and then carefully put the worms inside. We are going to continue to observe the worms as they tunnel through the different layers inside.

Homework

This week the children have enjoyed making a wormery as part of a group. Why don't you have a go at making your very own wormery at home? There are lots of places you can look online for inspiration...

Next Week

Next week we are going to be having lots of fun exploring the story, 'Supertato' by Sue Hendra and Paul Linnet. In our maths lessons we are going to be developing our number sense as we continue to explore teens numbers.
