

SHERWOOD PRIMARY SCHOOL

YEAR 5 HOMEWORK

To be completed by Wednesday 15th September 2021

READING WITH YOUR CHILD

Please continue to hear your child read on a daily basis, with a particular focus on **active reading**. Encourage the children to identify new words and use either discussions with yourself, or a dictionary/word hippo, to discover the new meaning. Record these in your child's reading diary.

Spelling

This week, we have been investigating the **-ough** spelling string and the different ways it sounds in different words. Please complete the semantic map in your homework book for the words which include this grapheme. Use [Word Hippo](#) to help you. Once you fully understand the word, practise spelling it as we will be checking your spelling on Friday.

Please also practise our words of the week by writing 5 sentences that include the words.

curiosity, leisure, persuade, excellent, ancient.

Maths

In Maths, we have begun to revisit our understanding of Place value – being able to understand the value of each digit based on the position it is in the number.

Please spend some time practising by completing several ['Daily 10'](#) activities – choose level 4, partitioning, Up to 9,999.

Then complete page 7 of your Maths Homework book, **'Place value in Big Numbers.'**

Millions			Thousands			Ones		
Hundred Million	Ten Million	Million	Hundred Thousands	Ten Thousands	Thousands	Hundred	Tens	Ones
100,000,000	10,000,000	1,000,000	100,000	10,000	1,000	100	10	1

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

It is vital in Year 5, that you are confident with your multiplication and division facts, particularly recalling them at speed. Pick the times table that you find the most challenging and practise daily using [Hit the Button](#).

Homework Expectations

Please complete your homework to the same standard as your school work. Ensure you use a blue pen or a pencil for writing and a pencil for diagrams and Maths work.

You should ensure that when writing in your homework book, that you write the date and L.O. (or the title of the task e.g. spelling.) neatly and underline it. Remember to bring your homework in by Wednesday at the latest.

KEY VOCABULARY FOR THIS WEEK

evaporation	the process of a liquid becoming a gas due to being heated
condensation	the process by which water vapor (water in its gas form) turns into liquid
States of matter	all matter is one of three different states: solid, liquid and gas. Each of the different states of matter have different properties
