

SHERWOOD PRIMARY SCHOOL

YEAR 5 HOMEWORK

To be completed by Wednesday 29th September 2021

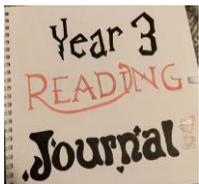

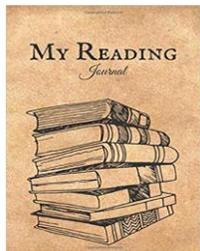

Art/Reading

This week, Mrs Sheppard introduced you to our Year 5 Reading Journey book. We cannot wait to get started on this! But first..... it needs a cover! Please create a beautiful design, on the paper provided and the winning one will take pride of place as the front cover!

It should include the title **Year 5 Reading Journey**.

Avoid overcomplicating your design. Sometimes, simple works best!

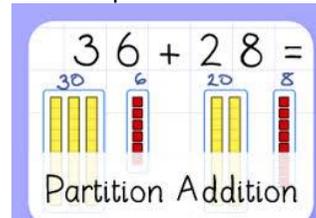

Good Luck!

Maths

In Maths, we have been practising addition using a variety of mental methods (partitioning, rounding, near doubles, number bonds) and formal written method.

Please spend some time practising by completing the two assigned activities on [Mathletics](#).

Remember that if you need a recap, click on the i button, as this will give you an example to work through.

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

It is vital in Year 5, that you are confident with your multiplication and division facts, particularly recalling them at speed. Pick the times table that you find the most challenging and practise daily using [Hit the Button](#).

READING WITH YOUR CHILD

Please continue to hear your child read on a daily basis, with a particular focus on **active reading**. Encourage the children to identify new words and use either discussions with yourself, or a dictionary/word hippo, to discover the new meaning. Record these in your child's reading diary.

Spelling practise

Please practice this week's Words of the Week ready for our check on Monday! Can you write each one in a sentence to check you understand the meaning, and then spend time practicing the spelling using Look, Say, Cover, Write, Check.

foreign **twelfth** **language**
available **vegetable**

KEY VOCABULARY FOR THIS WEEK

partition	partitioning involves splitting the numbers into smaller units to make them easier to calculate
preposition	a word that tells you where or when something is in relation to something else
relative clause	a type of subordinate clause that adapts, describes or modifies a noun
