

YEAR 5 HOMEWORK

To be completed by Wednesday 6th October 2021

Relative Clauses

You have written some fantastic Relative Clauses in your Legend stories this week. Before your independent writing next week, we would like you to continue to practise them.

Watch the video under 'Year 5 Modelled Videos' on the website and then log onto SeeSaw to complete the task. Please write the sentences neatly in your homework book and then submit a clear photograph on SeeSaw.

Year 5 Modelled Videos

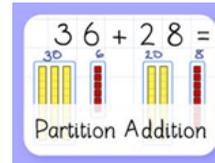

Relative Clauses: The Rules

A relative clause almost always starts with a relative pronoun. Other relative pronouns are:

that, whom, whose, who, which

Maths

Over the past two weeks in Maths, we have been focusing on Addition and Subtraction of big numbers. Please spend some time practising by completing the assigned tasks on Mathematics. **You can also watch the video on the website for more help.** Then complete page 12 & 13 of your Maths Homework book, **'Written Adding and Subtracting.'** Please send a picture of these completed pages via SeeSaw.

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

It is vital in Year 5, that you are confident with your multiplication and division facts, particularly recalling them at speed. Pick the times table that you find the most challenging and practise daily using [Hit the Button](#).

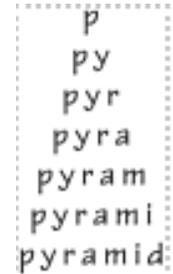

READING WITH YOUR CHILD

Please continue to hear your child read on a daily basis, with a particular focus on **active reading**. Encourage the children to identify new words and use either discussions with yourself, or a dictionary/word hippo, to discover the new meaning. Record these in your child's reading diary.

Spelling focus

Over the past two weeks, we have been focusing on words with silent letters. Please practice the following words using the pyramid method, ready for a quiz next week!

- | | | | |
|---|--------|----|--------|
| 1 | doubt | 6 | knife |
| 2 | island | 7 | knob |
| 3 | lamb | 8 | could |
| 4 | debt | 9 | should |
| 5 | climb | 10 | answer |

KEY VOCABULARY FOR THIS WEEK

evaporation	the process of a liquid becoming a gas due to being heated
condensation	the process by which water vapor (water in its gas form) turns into liquid
States of matter	of all matter is one of three different states: solid, liquid and gas. Each of the different states of matter have different properties
