

SHERWOOD PRIMARY SCHOOL

3MW REMOTE LEARNING PLAN

Tuesday 12th October 2021

CORE LEARNING TASK FOR ENGLISH

Today you are going to begin to write your own biography about Beatrix Potter. First, have a look at an example biography text about Julia Donaldson on our Remote Learning page. Think about how the biography is organised and the kind of information that is shared.

Now watch a short video [here](#) to see if you can learn something new about Beatrix Potter. Your task today is to use the facts about Beatrix Potter we looked at yesterday, as well as the video you have just watched, to write the first paragraph of your biography:

Who was Beatrix Potter?
Where was she born and when?
Who were her family and what were they like?
What did she like to do?

CORE LEARNING TASK FOR MATHEMATICS

Warm up:

Enjoy some '[Super Maths Bowling](#)' to practise your times tables knowledge. Click on Year 3.

Warm up

One has been answered correctly and one has not. **Challenge** - can you spot the mistake which has been made?

	9	0	9
+	4	1	
	9	4	1

	7	7	8
-	4	6	9
	3	0	9

Main Activity:

In this lesson, we will consolidate learning on column addition and subtraction by applying this knowledge to word problems.

Please watch the following video, which will guide you through the task:

[Solving Word Problems with Unknown Values](#)

Work is assigned on SeeSaw.

KEY VOCABULARY

Addition, subtraction, place value, equals, regrouping
Biography, paragraph, author, Pie chart, data.

WIDER CURRICULUM TASK

Computing

Last week you used a program online to put some data into a bar chart. This week, please use data from the tally chart above to show most popular fruit. This time, we would like you to input the data into a pie chart. Take a picture of your pie chart, and upload to Seesaw.

Go to [Maths is Fun!](#) to make your Pie Chart.
