

YEAR 5 HOMEWORK

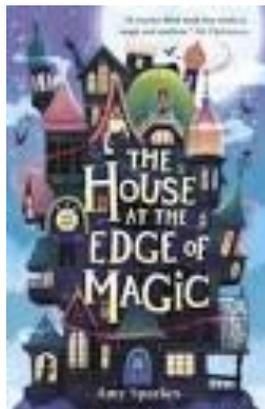

To be completed by Wednesday 10th November 2021

English

We loved hearing the recordings of you reading Chapter One of The House at the Edge of Magic.

Across this week, we would like you continue reading until the end of chapter 5. This can be with an adult or independently.

Once you have read these sections, please use the questions which are stuck in the front of your book. We have assigned these on seesaw for you too. Record yourself responding to these questions and submit on SeeSaw.

Maths

You have worked really hard this week, understanding the place value of decimal numbers and ordering and comparing them. Please complete pages 38 and 39 of your Maths Homework book and submit a clear picture on Seesaw for us to mark.

ONES	TENTHS	HUNDRETHS	THOUSANDTHS
1	4	0	0
1	0	9	0
1	0	0	6

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

Please continue to focus on the speed of recall of your multiplication and division facts. Please use [Hit the Button](#). If you are working towards your Badge 12, you may also work on the Maths Frame website.

READING WITH YOUR CHILD

Please continue to hear your child read on a daily basis, with a particular focus on **active reading**. Encourage the children to identify new words and use either discussions with yourself, or a dictionary/word hippo, to discover the new meaning. Record these in your child's reading diary.

Spelling focus

Please log onto [Spelling Frame](#) with your log in details. You have been assigned a task linked to this week's rule – the suffixes beginning with vowel letters. Click **go to test** and then view the words by clicking **Segment Cards**. If you are unsure of any of these words, listen to the sentences to help you. Then choose at least 2 games to practise with. Make sure that you choose **test** when playing so that you build up spelling points and that I can see your scores.

KEY VOCABULARY FOR THIS WEEK
