

# YEAR 5 HOMEWORK

To be completed by Wednesday 24<sup>th</sup> November 2021

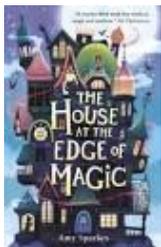

## English

Further to the reading task we gave you last week, it is great to see your responses getting better and better.

Well done!

Across this week, we would like you continue reading until the end of chapter 15. This can be with an adult or independently.

Once you have read these sections, look in particular at the creation of the potion. Each of the characters needs to put in an item of great importance or significance. We would like you to choose 3 items that you consider important and produce a poem for adding the items to the cauldron or draw a cauldron adding your items whilst justifying why. Your choice. Let's see what you come up with.

## Maths

This week, we have been working on Multiples and Factors and finding all possibilities using a methodical approach. We finished the week looking at prime numbers and how we might find out what they were. Watch the two videos on BBC Bitesize to remind you what Multiples, [Factors](#) and [Prime](#) numbers are before completing the task chosen for you. Please complete pages 18 and 19 of your Maths Homework book and submit a clear picture on Seesaw for us to mark.

## KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

Please continue to focus on the speed of recall of your multiplication and division facts. Please use [Hit the Button](#). If you are working towards your Badge 12, you may also work on the Maths Frame website.

**Challenge** – Try and look to complete five minutes of Hit the Button tasks on a daily basis.

## READING WITH YOUR CHILD

Please continue to hear your child read on a daily basis, with a particular focus on **active reading**. Encourage the children to identify new words and use either discussions with yourself, or a dictionary/word hippo, to discover the new meaning. Record these in your child's reading diary.

## Spelling focus

This week we have been investigating the use of apostrophes for possession. With this in mind we have assigned you a task on Seesaw which will have you going slightly bonkers.

Many famous companies use slogans to advertise their products but sometimes the people writing these make mistakes. Look at the images, deciding which ones are correct and which are incorrect. Annotate the images before sending to us on Seesaw.
