Choose a book from home to read for pleasure.

Writing-**The Magic Tree**

The tree was all that remained. A solitary figure, it stood there in defiance of the destruction surrounding it. The bark had begun to peel away, one piece at a time, joining the wreckage of other trees that lay scattered across the scorched earth.

This tree was different to the other trees. It contained magic. It contained hope...

Can you continue the story? What is so different about this tree? What has happened to the other trees around it?
