

YEAR 3 REMOTE LEARNING PLAN

Core Learning Tasks for Tuesday 31st March 2020

CORE LEARNING TASK FOR ENGLISH

A big hello and welcome to our second week of learning from home. You are all doing so well and we are loving seeing photos of your work. Keep them coming.

For today's task, you will need to have listened to Storytime. It is stored under Week 1 part of our webpage if you need to recall it.

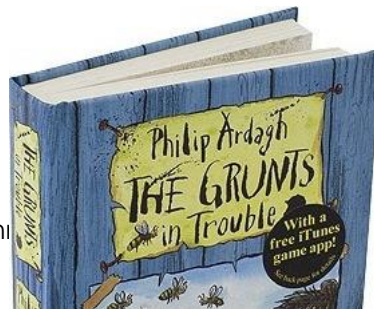

We are learning about a very strange family – The Grunts.

Can you draw Mrs Grunt? You have not been shown a picture of her at all but there is plenty of description. Her actions also tell you what sort of character she is.

Draw a picture of her then describe her.

Use full sentences to describe:

- her behaviours – her character traits
- how she feels
- her attitude towards Mr Grunt and Suni
- her appearance

Extra points:

Think about why she behaves like this. What might have happened to her to cause her to be like this?

Handwriting – use this great opportunity to practise handwriting at home. A little every day will make such a difference.
