

SHERWOOD PRIMARY SCHOOL

YEAR 5 REMOTE LEARNING PLAN

Monday 27th April – Friday 1st May 2020

KEY VOCABULARY

Habitat	The natural home or environment of an animal, plant, or other organism
Equator	The imaginary line around the middle of the Earth.
Climate	The weather conditions prevailing in an area in general or over a long period
Ecosystem	A biological community of interacting organisms and their physical environment
Biomes	A large naturally occurring community of flora and fauna occupying a major habitat, e.g. forest or tundra

MUSIC FOCUS

Spend some time this week, practising singing with feeling. Singing increases confidence, promotes creativity, improves your breathing and helps you sleep better AND IT'S FUN!

Log onto BBC Bitesize (<https://bbc.co.uk/bitesize/>) and follow these steps – Click Daily Lessons, Year 5, 23 April Music.

There are two clips to watch, followed by some fun activities! We would LOVE to see some pictures or videos of you singing! Encourage your family and friends to join in – you could create your own concert over video call!

COMPUTING FOCUS

To continue with the coding work that you completed in the last week before the Easter break, please log on to Espresso and work through Block Coding, Year 5 Starter unit, Lesson 6, Lesson 7 and Lesson 8. Work through each of the steps to create games using different movements, objects and sequences.

Try using the help videos, if you need some extra support.
<https://central.espresso.co.uk/espresso/coding/lessons.html#/coding/units>

GEOGRAPHY FOCUS

Last week, we started to look at different creatures that can be found in the Amazon Rainforest. This week we are going to continue that research and understand a bit more about the LAYERS of the rainforest and which creatures live in each.

Use DK Findout (<https://www.dkfindout.com>) and search for Amazon Rainforest Layers to discover more. You can also watch a 'Virtual Field Trip Amazon rainforest' by typing this in to YouTube (<https://www.youtube.com/watch?v=JEsV5rqbVNQ>).

Once you have done your research, can you recreate the layers and creatures that live in each? Be as creative as you can. You could use your collage skills from art to create a giant poster or use cereal boxes and toilet roll inner to create a 3D version!

Make sure you have clearly labelled each layer and understand why different creatures live in each layer.

KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

We invite you to submit photographs of your children's experiences and photographs of completed paper based tasks to:

Year5@sherwood.lancs.sch.uk

SPELLING/PHONICS FOCUS

ie or ei words

Conceive, receipt, brief, ceiling, field, deceive, shield, perceive, niece, receive.

Explore – does the rule 'i. before e except after c' always work? Complete the word search on Espresso (Search Spelling KS2 – Word Search – Vowel patterns ie or ei)

For more practice, log on to <https://spellingframe.co.uk> and play the Year 5 Spelling tiles games for Spelling rule 45 – ei after c.

How many words with ie and ei can you find that DO NOT follow the rule?

KEY MENTAL MATHS SKILLS TO REHEARSE ORALLY

Continue with the work we have been doing using Top Marks Daily 10. <https://www.topmarks.co.uk/maths-games/daily10>

But this week focus on Doubles and Halves.

Start with Doubles (Level 6- up to 1000 AND Level 6- ones and tenths) Start off at 7 seconds and increase it as you improve.

Can you manage a high score at 3 seconds?

Then move onto Halves (Level 6- up to 1000 AND Level 6- ones and tenths) Start off at 7 seconds and increase it as you improve. Can you manage a high score at 3 seconds?

READING

Please ensure that you are reading every day. Follow the Reading section under Remote Learning on the website to access three books each week. There is a quiz at the end of each book for you to practise key comprehension skills. Once you have read the book **do not** click on 'Finished.' This will allow the rest of our class to read the book. If the book is not there, check the 'Books I've Read' tab.

Please use the link below to access the login page:

<https://my.risingstars-uk.com/Default.aspx?cid=DL213331>

Username: Year5

Password: sherwood

Centre ID: 213331

The books will be updated weekly – we hope you enjoy them!

In addition to this Remote Learning Overview, Core Learning Tasks for English and Mathematics will be uploaded to our Remote Learning page on Tuesday and Thursday each week. Thank you for your support.
