

YEAR 4 REMOTE LEARNING PLAN

Core Learning Tasks for Tuesday 5th May 2020

CORE LEARNING TASK FOR ENGLISH

Read the poem:

<https://www.poemhunter.com/poem/chocolate-cake/>

Now watch Michael Rosen perform the poem:

<https://www.youtube.com/watch?v=7BxQLITdOOc>

Which do you prefer? Why?

Michael uses onomatopoeia in his poem.

Onomatopoeia is when a word imitates the sound of the object or action it refers to, e.g. guzzle.

Can you find some examples of onomatopoeia in the poem?
Can you think of an action you might put with that word?

Learn to recite the poem putting your own actions and noises to it. Learn a section at a time and slowly build it up until you can recite it all!

Perform the poem to people in your house.

Daily reading

Please aim to read aloud daily with an adult and record this in your reading diary. At the end of the week, please email a photograph of the reading pages for us to keep track of your progress.

CORE LEARNING TASK FOR MATHEMATICS

To recognise, write and know the place value of decimal equivalents of tenths and hundredths.

0.5 The 5 has a value of $\frac{5}{10}$

0.43 The 4 has a value of $\frac{4}{10}$

The 3 has a value of $\frac{3}{100}$

Watch this video clip to help recap your previous learning:

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item495670/grade2/module495659/index.html

Then, complete the activity titled 'Decimals to fractions' on the Year 4 remote learning page, week 5.

KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

We invite you to submit photographs of your children's experiences and photographs of completed paper based tasks to:

year4@sherwood.lancs.sch.uk
