Centre ID: 213331

Writing Across the Curriculum:

War is Over!

This week, you have been finding out about VE Day to coincide with the commemoration on Friday. From the research you have completed, write a newspaper report about the events of that day.

You will need to include:

- a catchy headline
- summary of 5Ws in the first paragraph (who, what, when, where, why)
- more details in the following paragraphs – how did people celebrate?
- eyewitness accounts – what were people doing?
- quotes from the public – what do they think now the war is over?
- a quote from Winston Churchill.

Use the writing frame on the website to help you organise your writing – you can present your report either on your device (you could even do a video news report) or in your Remote Learning book.

CORE LEARNING TASK FOR MATHEMATICS

Please complete pages 74-80 in your CGP SATs Question Book.

Following on from your work on Geometry this week, can you answer these SATs questions? (The answers are in the document should you get stuck).

ONGOING COMPUTING TASK

Computing:

If you have completed the Python Units, why not try the Block Coding? You should have done some of this in school lower down the school, so why not refresh those units then try some of the Year 5 and 6 units that you have not done.

KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

We invite you to submit photographs of your children's experiences and photographs of completed paper-based tasks to:
