

YEAR 3 REMOTE LEARNING PLAN

Core Learning Tasks for Thursday 14th May 2020

CORE LEARNING TASK FOR ENGLISH

When George collects items for his medicine, he finds lots of items in the bathroom – shampoo, soap etc.

Roald Dahl describes them in a wonderfully delicious way though. He is a master of invention!

from 'George Begins to Make the Medicine' (pp. 21-24)

"On his mother's dressing-table in the bedroom, George found yet another lovely aerosol can. It was called HELGA'S HAIRSET. HOLD TWELVE INCHES AWAY FORM THE HAIR AND SPRAY LIGHTLY. He squirted the whole lot into the saucepan. He did enjoy squirting these aerosols.

There was a bottle of perfume called FLOWERS OF TURNIPS. It smelled of old cheese. In it went.

And in, too, went a large round box of POWDER. It was called PINK PLASTER. There was a powder-puff on top and he threw that in as well for luck.

He found a couple of LIPSTICKS. He pulled the greasy red things out of their little cases and added them to the mixture.

The bedroom had nothing more to offer, so George carried the enormous saucepan downstairs again and trotted into the laundry-room where the shelves were full of all kinds of house-hold items.

The first one he took down was a large box of SUPERWHITE FOR AUTOMATIC WASHING-MACHINES. 'DIRT, it said, WILL DISAPPEAR LIKE MAGIC. George didn't know whether Grandma was automatic or not, but she was certainly a dirty old woman. 'So she'd better have it all,' he said, tipping in the whole boxful.

Then there was a big tin of WAXWELL FLOOR POLISH. IT REMOVES FILTH AND FOUL MESSSES FROM YOUR FLOOR AND LEAVES EVERYTHING SHINY BRIGHT, it said. George scooped the orange-coloured waxy stuff out of the tin and plonked it into the pan.

There was a round cardboard carton labelled FLEA POWDER FOR DOGS. KEEP WELL AWAY FROM THE DOG'S FOOD, it said, BECAUSE THIS POWDER, IF EATEN, WILL MAKE THE DOG EXPLODE. 'Good,' said George, pouring it all into the saucepan."

Can you think of your own bathroom **items** and add a **pronoun**, an **apostrophe** (because that person made the item and it belongs to them) and an **adjective** to become masters of invention like Roald Dahl? Here is an example and have fun. Notice the words all start with the same letter too (alliteration!)

CORE LEARNING TASK FOR MATHEMATICS

Here's another opportunity for you to enjoy learning in a different way. **BBC Bitesize Daily lesson** for Year 3 for 27th April was all about Adding Three-digit numbers.

Follow the link below and work through the activities – just remember we use the term **units** instead of ones at Sherwood. However, it means the same thing so it is useful to understand that units **are** ones! There are lots of questions to practise on the worksheet. Don't print – just write in your books. The answers are also there.
