

YEAR 6 REMOTE LEARNING PLAN

Core Learning Tasks for Thursday 14th May 2020

CORE LEARNING TASK FOR ENGLISH

Grammar and Punctuation:

Noun Phrases

Have another singalong to the catchy noun phrase song on Youtube:

<https://www.youtube.com/watch?v=WhEoRVNjfdS>

Reading:

Morpurgos and Rowlings continue to read Kaspar Prince of Cats.

Horowitz and Tolkien continue to read Goodnight Mister Tom.

***To further support with reading at home, please log on to Reading Planet and read the assigned books.**

Extended Write:

Using your ideas from your 'Magic Shop' poem, create your own magical shop.

1. Draw a picture of your shop – labelling what is inside and what makes it magic.
2. Imagine you are an author and you are writing your opening chapter to introduce this magic shop. Write your chapter. Try to include some of the words and noun phrases from your poem this week.

CORE LEARNING TASK FOR MATHEMATICS

The theme today is conversion graphs. Please have a go at these questions (don't worry about doing the questions where you need to draw the graph, unless you have any graph paper at home).

<https://corbettmaths.com/wp-content/uploads/2019/02/Conversion-Graphs.pdf>

ONGOING COMPUTING TASK

Computing:

Please login to the coding section on Espresso and complete the Python Units – Start with Unit 1, then try 2 and 3 when you become more proficient.

Watch the Tutorial Videos and complete the tasks.

Once you are proficient, try the Free Code section to code your own game.

KEEPING IN TOUCH

If you have any questions or queries regarding remote learning tasks, please contact your child's class teacher through the email address below.

We invite you to submit photographs of your children's experiences and photographs of completed paper based tasks to:
