

Year 1 Remote Learning

email: year1@sherwood.lancs.sch.uk

LAST WEEK BEFORE HALF TERM

This is the last week before half term, where the children will have a well earned break. Lets make it as fantastic as the week just gone! The work that has been sent in has been outstanding! This week, as always we will set core tasks on Tuesdays and Thursdays with an overview of the week on a Monday. In this newsletter, we give extra information and challenges for the week ahead.

READING

We love reading in Year 1!! So we have set up an online reading scheme for everyone to have a go at. The reading books have been changed with 3 new ones for you to have a go at. We would like you to read them **twice**. The first time to enjoy and the second time for fluency and understanding. The books will be changed each week. Please follow the link <https://my.risingstars-uk.com/Default.aspx?cid=DL213331>

The Login is: Year1

Password: sherwood

Centre ID: 213331

All we ask you to do is **not** to click finished when you have read the book. This way other children can read it at the same time.

A big thank you to Ms Terrell for organising our new reading books!!

JOE WICKS DAILY P.E. LESSONS

Joe Wicks has become a firm favourite in lots of households. Please continue to start your day with his exercises.

Just follow this link and give it a go:

READING CHALLENGE

This week we will be working on the book 'Rumble in the Jungle'. Can you send in a video of you reading it? Try to memorise some parts of it by adding actions. As it is a rhyming book, why not try and put the book into a song by choosing a familiar tune to sing it to? We look forward to seeing your videos!

THROWING AND CATCHING

Last week we challenged you to see how many throw and catches you could do in 1 minute. Leading on from this, we would like you to see if you can master the throw/clap/catch. This is where you throw the ball into the air, clap your hands as many times as you can and catch the ball. How many can you do in a row?

ROYAL TOUR!

For the past few week, we have been looking at the royal family and weddings and how these have changed over time? Have a look at the virtual tour of Buckingham Palace. What do you notice? You may like to make your own model?

KEEP IN TOUCH!!

Mrs Raw was covering the Year 1 emails last week and will continue to this week. She is so proud of all the work that you have been completing and don't worry she sends daily updates to Mr Wilson and Mr Billington and they are just as proud!

It has been fantastic receiving photos and emails of the work you have been doing. Thank you for keeping in touch. Please continue to let us know what you have been up. Don't hesitate to contact us if you have any questions or need any further advice.

Take care - The Year 1 Team
