

YEAR 3 REMOTE LEARNING PLAN

Core Learning Tasks for Thursday 21st May 2020

CORE LEARNING TASK FOR ENGLISH

Now it's time to write your story.

Remember – it is all about a time, like George, you made a magic medicine and gave it to an animal.

Your story needs to be full of delicious words just like Roald Dahl.

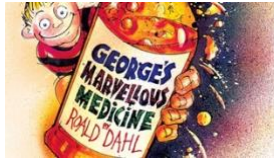

Here's a checklist:

1. Where is the story taking place? Who are you? Describe yourself. You can write in the first person (I am...)
2. Why are you making the medicine?
3. What do you put in the medicine and how to you make it?
4. What happens when you give it to the animal?
5. A good ending...

Don't forget – you have already written some great rhymes you can use from previous tasks and you have already written about your great potion – you just need to add that into your story!

Add alliteration, repeating words for effect, rhymes, onomatopoeia (loud words) if you can.

Welcome to the world of Roald Dahl!

CORE LEARNING TASK FOR MATHEMATICS

Recall how to read coordinates.

Visit <https://www.dckfindout.com/uk/maths/coordinates/>

This will help you.

Now, can you draw your own treasure map and put some hidden treasure on it? Can you family guess where it is using **coordinates**? Put trees, roads, a house and a crocodile pit on coordinates of your choice.

You will have to draw horizontal and vertical lines carefully. A grid paper often helps.

You can visit Espresso again for help and, if you have a printer, you can print one out (Espresso, Pirate map - Coordinates)
