

# English

Wednesday 21<sup>st</sup> October

# Climate Change

- This week, you will be researching climate change.
- Make links with your learning about the use of palm oil, and consider the wider implications for our planet alongside other factors which cause climate change. Tomorrow, you will write a persuasive letter about palm oil.
- On Friday, you will use your research to write a Climate Change rap.

# What is climate change? And, what we can do to combat it?

Read National Geographic Kids – What is climate change?  
As you are reading, make notes for the information you find, then answer the questions on the next slide. (Note: The explanation continues below the magazine advertisement).

<https://www.natgeokids.com/uk/discover/geography/general-geography/what-is-climate-change/>

Now watch CAFOD: Climate Change Animation for Primary Schools.

<https://www.youtube.com/watch?v=v8unGCTWUWI>

For further information:

<https://www.bbc.co.uk/newsround/45880637>

L.O. To use a range of reading strategies to retrieve key information from the text.

*Use these questions as sub-headings to organise your work:*

- What is climate change and what causes it?
- How will it affect our planet?
- How will it affect wildlife?
- How will people be affected? How are they coping?
- What can I do to prevent climate change?

Remember to use the reading strategies we used in guided reading last week: **skimming, scanning and close reading.**
