

Yellow Route – Please follow the one-way system to all drop off and collection zones.

Pupils in Y5 and Y6 will not be able to meet parents or exit through Zones 1 and 2.

The **White Route** shows the Safe Pedestrian Route for families using Car Parks A and B. Please utilise both Car Parks.

For the Safety of all our children and families using this route, it is vital that the **Red Route** remains clear of parked or stationary vehicles. Please refrain from parking on the double yellow lines and the raised pedestrian pathway that runs across the middle of Car Park A. Thank you.
