

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Thursday 7th January 2021

### CORE LEARNING TASK FOR ENGLISH

Today in English you are going to show what fantastic actors you are!

Think about each character in the story of Zog. How do you think they sound? Is their voice high pitched or low? Soft or loud? How could you change your voice to sound like them?

Now think about how they move. Do they walk with a very straight back or hunched? Do they move slowly or quickly? How could you change your body to move like each character.

Now film yourself speaking a line of text from each character and in class we'll see if we can tell who you are!

### CORE LEARNING TASK FOR MATHEMATICS

Fantastic use of Base jottings yesterday!! You have all understood the place value of the different digits. This morning I'm going to give you some of my own jottings and I would like you to work out what jottings I have written numbers for.

Challenge - when you have completed today's maths have a go at writing your own jottings for the children in school to work out what number you have drawn.

Remember to watch the video to help you work out what the jottings mean.

### KEY VOCABULARY

**Maths** – tens, ones, partition, jottings,

**English** – capture, hoarse, fearsome, gleaming.

**Challenge**- what do each of these words mean? Can you use a dictionary to find out?

### WIDER CURRICULUM TASK

Today in science we are going to be looking at the human body and labelling the parts of the body that we know.

Challenge: Can you re-write the words to 'heads, shoulders, knees and toes' using the names of different body parts?
