

SHERWOOD PRIMARY SCHOOL

YEAR 4 REMOTE LEARNING PLAN

Date: 7/1/2021

CORE LEARNING TASK FOR ENGLISH

Please find your English task on SeeSaw. Enjoy reading the next few pages of 'The Dancing Bear' and complete the 'Exploring Vocabulary' task. Instructions are included on the video.

Keep practising reading the first few pages (with the pictures from Tuesday for prompts) until you have memorised it. Performing actions will help you to say it off by heart.

Word	Heard before?	Where have you heard the word?	Write the word in a sentence	Synonyms for the word	Write your own definition of the word or dictionary definition
flicker	yes	My mum says the candle is flickering.	The lamp in my bedroom flickers.	glimmer sparkle glint flash	flicker means to shine unsteadily or quick movements

CORE LEARNING TASK FOR MATHEMATICS

Today we are learning to recognize and order negative numbers.

Watch the following YouTube clip.

<https://www.youtube.com/watch?v=6U1kCOuNpR4>

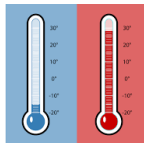

Remember that these are called 'negative' numbers and not 'minus' numbers as minus is an operation.

In fact it is $0 \text{ minus } 4 = -4$.

Think about the times you may see negative numbers - floors below ground level in a building or steps into a swimming pool with some steps above and some steps below the surface of the water.

Thermometers are used to show the temperature and at the moment these temperatures will be below zero, especially in the mornings.

Watch video input on negative numbers and complete the assigned tasks on SeeSaw.

KEY VOCABULARY

movement respiration sensitivity
growth reproduction excretion
nutrition negative minus zero
number line

WIDER CURRICULUM TASK Science

What makes a living thing?

Take a walk outside or go into your garden and look around. What can you see? Worms in the ground, spiders, birds in the sky.

What else do we know is here even if we can't find it. Try lifting logs to find bugs or looking under plant pots. Do they have anything in common? Similar needs? What makes them alive?

There are seven characteristics of living things.
