

# SHERWOOD PRIMARY SCHOOL

## YEAR 6 REMOTE LEARNING PLAN

Date Wednesday 13<sup>th</sup> January 2021

### READING WITH YOUR CHILD

Please continue to read daily and record this in your diary. Each week (**Tuesdays**), you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set.

### CORE LEARNING TASK FOR ENGLISH

Today, we are going to practise using a **semi-colon** to link clauses of equal weight.

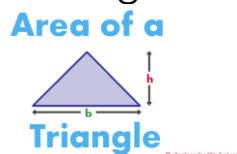

We will also be reading more of Macbeth and continuing to use our inference skills to consider and compare character's thoughts, feelings and motives, and justifying these with evidence from the text.

We would also like you to complete a spelling task on spelling **the s sound spelt sc**.

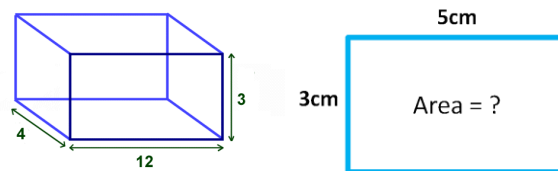

Please view the presentations, videos and resources in the Y6 Remote Learning area on the school website.

### CORE LEARNING TASK FOR MATHEMATICS

Today in Maths, we are investigating the area of Triangles and Parallelograms.

Please watch the video to help you to understand and complete the questions set. As usual, the answers are there for you to check your answers and if there is something that you are struggling with, please make us aware.

We would also like you to complete your **weekly Arithmetic Test** today – Autumn Test 6

### WIDER CURRICULUM TASKS

#### Science

We would like you to practise finding your pulse today. See the Powerpoint to help you.

When you have found it, count how many times it pulses per minute (you may want to count for 30 seconds and then double it) – this will give you your bpm (beats per minute). Next week, we will complete an investigation on this.

#### Geography

Log on to ODDIZI – your username is either **sherwood.6lt** or **sherwood.6pw** and the password is *sherwood*
