

SHERWOOD PRIMARY SCHOOL

YEAR 5 REMOTE LEARNING PLAN

Thursday 14th January 2021

CORE LEARNING TASK FOR ENGLISH

Today is the final part of pulling together your ideas for your science fiction story. You will be using the posters that you created on Monday to remind yourself of the futuristic/space themed gadgets that you suggested, and then creating some super sentences to describe them and explain how they work! Follow the video for further instructions. Then enjoy Aquila Chapter 8!

Yesterday, we assigned a Guided Reading task for you on SeeSaw (not here on the website) - thank you to this who completed it, but for everyone else, please check your SeeSaw activities list, and complete the task provided.

CORE LEARNING TASK FOR MATHEMATICS

Today, you will be looking at another way to check your addition and subtraction calculations, using the inverse operation. Follow the video, pausing when instructed, and complete the questions provided on the sheet.

DAILY TASK FOR KEEPING US MOVING.

We are going to introduce you to a daily PE task to complete to keep ourselves motivated and healthy. Today it is,

14
Do some **high**
knees until you
need to stop:
Bronze: 30 secs
Silver: 1 min
Gold: 2+ mins

KEY VOCABULARY

Words of the Week

Please take time in re-watching the spelling video where you will find this week's words! Continue to practise the spelling of these words and revisit some of the examples you might have got incorrect in the past.

WIDER CURRICULUM TASK

SCIENCE.

Continuing our theme of Earth, Sun and Moon, we are going to focus on Scientific evidence and how we can use it to agree with or refute statements made. Many people believe that the Earth is spherical but there are those that believe it is flat. Both opinions have been present for hundreds, if not thousands of years. Watch the videos found here,

<https://www.bbc.co.uk/bitesize/clips/zd3fb9q>

<https://www.youtube.com/watch?v=06bvdFK3vVU>

And then follow the video to access your tasks. Let's just say, "Can you persuade me to change my thinking if I was to believe one opinion presented?"
