CORE LEARNING TASK FOR ENGLISH

This week we will be writing our own adventure story for Chilly Billy in Brazil! We will start the week by choosing and planning our story. By Friday we will be editing and improving our work.

SpaG

This week we will recapping using past tense in our writing and identifying past tense verbs. However, today we will be looking at the conjunction 'while' so we can use it within our writing. Please watch the video by Miss Rimmer and have a go at finishing the 'while' sentence. Then, challenge yourself to innovate your own sentence using 'while'.

English

Today we will be planning our story on a story map. We have used these before to plan our story for Cinderboy and Mossop's last chance.

1. Choose your favourite Chilly Billy idea from last lesson and tell it an adult, friend, sibling, animal, toy or yourself in the mirror! Say it over and over!
2. Use the story map template on the remote learning page or use this template to draw your own. You will need this for the lesson.
3. Watch Miss Rimmer's video. Miss Rimmer completes the story map in sections using her own story. Complete your story map at the same time by pausing the video after each part.
4. Upload a photo of your completed story map to SeeSaw.
