YEAR 6 REMOTE LEARNING PLAN

Date Tuesday 19th January 2021

READING WITH YOUR CHILD

Please continue to read daily and record this in your diary. Each week (**Tuesdays**), you will be assigned a focused reading task via Seesaw. Please read the text and complete the task set.

CORE LEARNING TASK FOR ENGLISH

Today, we will begin to plan our narrative version of a scene from Macbeth. First, you will chunk up the text and add the main events to the plan. Then, you will be selecting the dialogue that you are going to include for each chunk and add that to your plan.

Please view the presentations, videos and resources in the Y6 Remote Learning area on the school website.

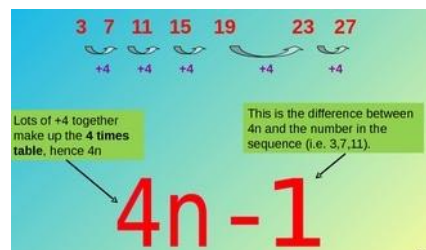

CORE LEARNING TASK FOR MATHEMATICS

Today, we are investigating the nth Term.

The nth Term is quite a difficult concept, but both Miss Terrell and myself found this video really useful – remember, you can pause, rewind and watch again.

Please watch the video and Mr Whelan's video to help you to understand and complete the questions set. As usual, the answers are there for you to check your answers and if there is something that you are struggling with, please make us aware.
