

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Thursday 28th January 2021

### CORE LEARNING TASK FOR ENGLISH

You have done such a superb job of writing your own version of Stuck this week! You have already written the beginning and end of your new story so today you will be writing the end.

What happens at the end of your story? Don't forget to use your plan to remind you of your ideas.

#### Task

Today you are going to write the end of your story. Remember to use capital letters, full stops and finger spaces.

Try to include exciting adjectives and if you want to challenge yourself today try to also include an adverb.

We look forward to seeing your work on Seesaw.

### CORE LEARNING TASK FOR MATHEMATICS

This morning we are continuing our topic of counting and money. After you have watched the video please follow the links to our counting songs. Have fun counting and dancing at the same time.

<https://www.youtube.com/watch?v=9C4EN7mFHCk&list=P L4yYGnNnIWUoYbnQG8VSLINsJ7i5bNtuQ&safe=true>

<https://www.youtube.com/watch?v=ZvincYg0pHo&safe=true>

Now you are warmed up it! It is time to spend some money. The shops aren't open but this virtual one is so follow the links and spend, spend spend!

### KEY VOCABULARY

**Maths** – coins, money, amount, value, even, tens, ones.

**English** – said, have, so, do, some, come, little, one, there, were

**Challenge** - practise your spellings ready for a spelling test tomorrow!

### WIDER CURRICULUM TASK

In science today we are going to be exploring our sense of sight. Which part of the body helps us to see?

Watch the video on our class page then see if you can label a diagram of the eye. Write a sentence to explain how it helps us to see.

Investigate: How does it feel to move around without being able to see? Cover your eyes with a blindfold or a scarf then get your parent or sibling to guide you around your home avoiding bumping into anything. How does it feel? Now swap over and see if you can give someone that can't see clear directions.
