

SHERWOOD PRIMARY SCHOOL

YEAR 4 REMOTE LEARNING PLAN

Date: 5/2/2021

CORE LEARNING TASK FOR ENGLISH

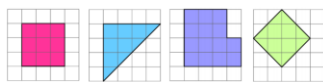

Thank you for your superb stories yesterday. We are so proud of how hard you are working with your writing!

Please watch today's English video about paragraph openers, and think of appropriate paragraph openers for the text 'Should Homework Be Banned?' Read aloud each paragraph with your chosen opener. Does it make sense? Read it to somebody at home. What do they think? Does it link well with the previous paragraph? When you are happy with your final choices, please upload a video or voice recording to SeeSaw of you reading the whole text.

CORE LEARNING TASK FOR MATHEMATICS

Well done for all of your problem solving with Area this week. We are now moving onto finding the Area of shapes where there are no squares. However, that does not stop you from drawing them in!

Watch the Video, thinking about how we use the measurements of the shape to find the area and then answer your questions on Seesaw and send them in.

Remember you can look back at an example from the video again if you need to recap. Draw squares on your shapes to help!

KEY VOCABULARY

compound shape, exercise, adverbial, paragraph, debate, discussion, opinion

WIDER CURRICULUM TASK

Music

Today is your final day to send your videos of performing Makaton signs to to 'A Million Dreams.' Please follow the link [here](#) to the backing track and practise the signs from [Makaton signs](#) Send any videos to year1@sherwood.lancs.sch.uk if you would like to be part of the final video. We would also love to see them through Seesaw if you don't want to be a part of the Sherwood Music video. Have fun!

PE

It is so important that we keep active and feeling positive so let's get our heart rates increasing and have some fun moving to [I Gotta Feeling](#) Turn it up, have some fun and send in a video of your moves!
