

**Monday 8th February 2021.**

**LO: I can comment on changes to my local settlement over time in response to trade.**

**Preston has changed dramatically, not only over the past couple of decades, but before then and is still expanding and changing due to the changing population.**

**We will look at and consider what has forged this change and make observations using maps.**

**So this is the map you considered last week. Why did a settlement occur in this area?**

**Water course?**

**Position?**

**Fertile Land?**

## Preston 1817

**Preston has changed dramatically already. Can you think why?**

**Preston  
1851**

**Preston  
1885**

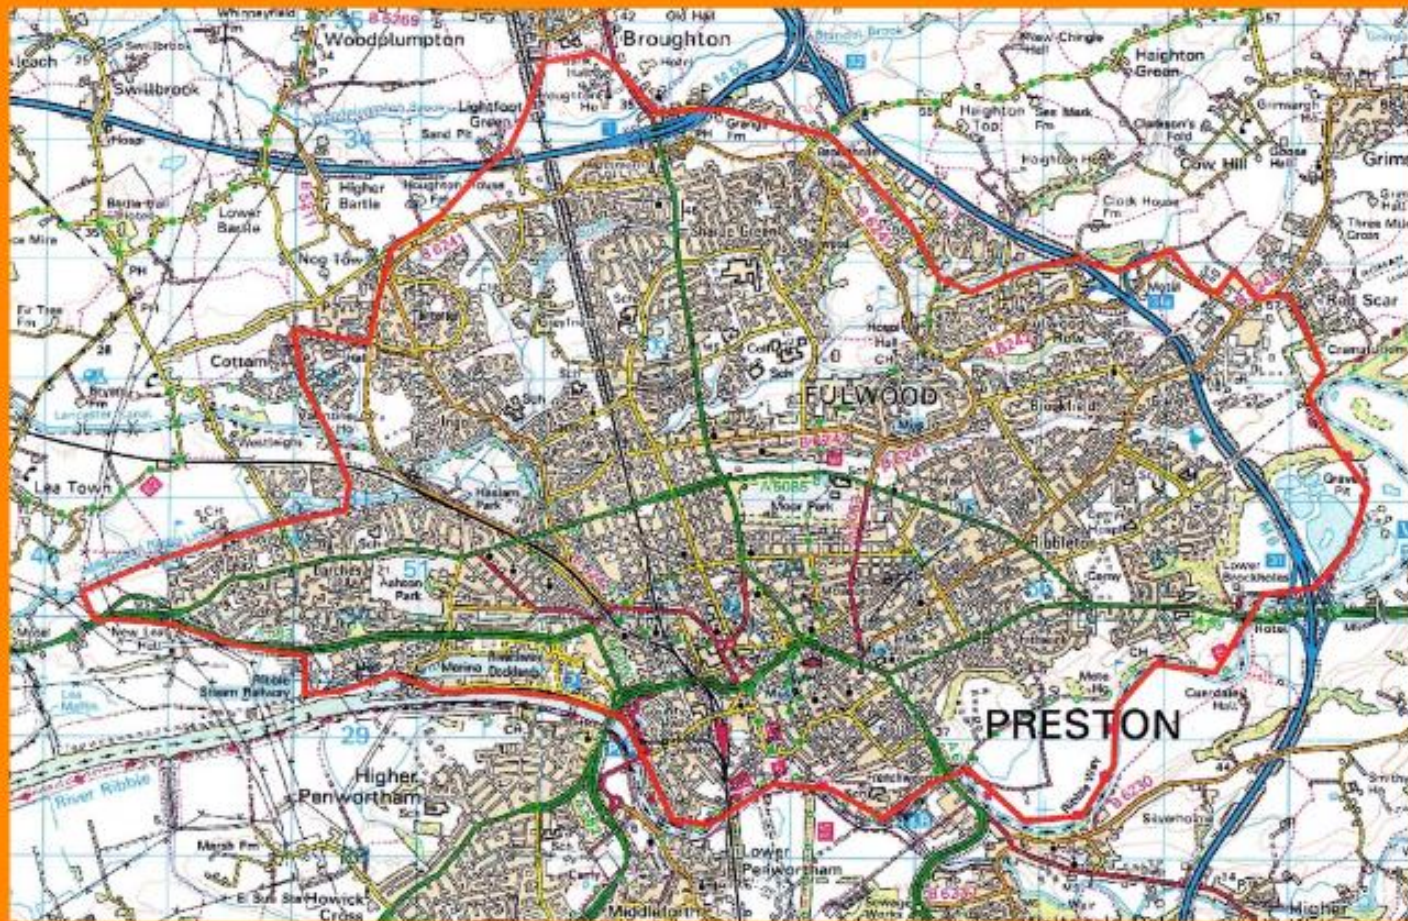

**Preston 1901**

**Preston,  
1950's**

**Preston, Present day.**

**It's still expanding, but why?**

**Thinking about all of the maps, we would like you to identify reasons why Preston expanded, and increasingly so?**

**What did import and export mean for the town and now city?**

**What have been some of the main reasons for Trade to be a big part of the Preston Landscape. They have shaped our city but what have been the main influences?**

**Go onto the Oddizzi website, link in the overview and passwords sent via Seesaw and complete the Food and Farming quiz choosing your name from the flip down bar. See if you can top the leaderboard.**
