Dictation

There is no doubt that in the February half term holiday, my family definitely go on a foreign holiday. The excitement builds after Christmas but it is a surprise where we choose to go. Wherever we end up, we always like to go sailing on a yacht.

Have you spelt the words correctly? Which were tricky?

Did you get any incorrect? Why? What are the rules?

Practise the words you got wrong using L, S, C, W, C or diamond words.
