

Creating a book review

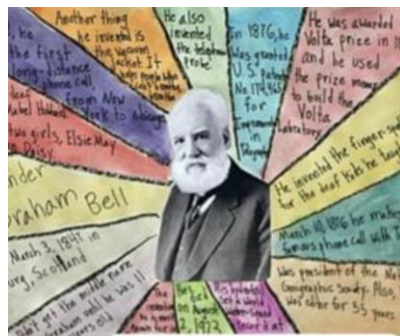

At the end of each Pathway Stage, we encourage you to write a book review about your favourite book, which can be placed in our new Reading Pathway Review books in the library.

Suggestions to include in your review:

- Book Cover – could be printed or drawn.
- Information about the author.
- Summary of what the text/story is about. (don't give the ending away!)
- A paragraph about the main character(s).
- A paragraph about the setting.
- Your opinion – what did you think about the book? How did it make you feel?
- Your favourite quotes, words and phrases from the text.

Remember to draft your review first. You could use the school book review template to help you!

Be creative - add images, drawings, diagrams. Here are some ideas to inspire you!

- Write an Acrostic Poem using the title of the book. Remember to include key information about the author, main characters and plot in your poem.
