SPRING 1 2024 **HAPPY NEW YEAR!**

The children have made an amazing start to the term and are working with focus. This is an important term as we prepare the children for SATs – we will hold a Mock SATs week, the week beginning February 5th which will follow the format of the SATs in May. As discussed in the Parents Welcome Meeting, please refrain from using recent SATs papers at home as these will form part of our Mock SATs and revision process. Alongside SATs preparation, we still have a broad and exciting curriculum planned for the children, with a visit from local magistrates on the 25th January.

Thank you for your continued support with reading and homework at home.

Mr Hudson & Mrs Sheppard
