A selection of additional comments and questions

- Sherwood is doing a lot about diversity.
- Having an international day at school to talk about their cultural backgrounds, get dishes from their countries or even dress in traditional clothing.
- I feel that Sherwood school really teaches diversity from the get go and so far I don't have any suggestions to improve
- I think Sherwood school covers equality and diversity very well.
- More leaders of different faiths should come to the school during assembly and not just people from church.
- No, I think the school is very inclusive.
- Peer mediation, my organisation has worked with in other education settings to develop this
- Recognising and celebrating all religious festivals as they come up, across all years, to enable all children to fully understand and participate in the learning to reinforce/acknowledge differences.
- Staff considering the language they use e.g. 'sweetheart' / responding to girls and boys equally.
- The school complies with all inclusion and diversity regulations and acts stipulated within the education framework.
- Try and encourage girls to play or even understand male dominant sports games eg Football Give girls opportunity to have understanding of the game

Feedback from School

We would like to take the opportunity to thank our parents and carers for participating in our Equality Questionnaire. Your feedback forms a vital part of our ongoing self-evaluation and future development.

This consultation, alongside the establishment of a Parent and Carers working party, will inform future equality developments at Sherwood. Our first meeting will focus on Race Equality and Socio-economic status Equality. The meeting will also be an opportunity to discuss our Equality Objectives for 2021-2025. All parents and carers are welcome to participate.
